

**MOUNT BARKER
WALDORF SCHOOL**

RE: APPLICATION FOR ENROLMENT

Thank you for your interest in joining our school. Information is enclosed to help you understand what a Waldorf education offers you and your child. To assist you in learning as much as possible about our school, please join us on our next school tour. If you are unable to attend a morning tour, then we welcome you to an afternoon/evening session on Waldorf education. Please see the attached schedule of school tours and information talks.

School tours and information sessions are offered each term. The morning tours offer the opportunity to see the classes in session. Tours are an important part of the enrolment process. They provide parents with valuable information and a chance to ask questions. Please phone the office to make a booking.

Our school functions as an integrated community that is created by the commitment and involvement of the parents and teachers. There is an expectation that parents will take an active interest in their child's education and in all aspects of the school. As a parent and member of the school, you would be expected to attend Parent/Teacher meetings and to become involved in activities such as the Spring Fair, festivals and other school events, where possible. Parent participation creates a connection between home and school life that benefits your child's education. This involvement is essential to the life of our school and we encourage your fullhearted contribution to the community.

If you would like to make an application for enrolment please complete the Waiting List Application Form enclosed herewith and return it to us, together with the administration fee of \$65.00 for one child or \$100.00 for a family.

Once again, we thank you for your interest in our school and we look forward to meeting you and your family. Please contact our Registrar, Deborah Bottin for more information.

Kind regards,

Liam Waterford
Acting Principal
