

**MOUNT BARKER
WALDORF SCHOOL**

2022 SCHOOL FEE SCHEDULE

Children are enrolled at Mount Barker Waldorf on the understanding that parents have committed to pay all fees when they are due. We seek to keep fees as low as economically possible and therefore we ask that fees are paid by the due dates.

Tuition Fee, Curriculum Fee & Property Improvement Levy

The Mount Barker Waldorf School annually reviews tuition fees covering the common costs for the tuition of students.

The fees include excursions, camps, insurance, stationery (Primary School), Student Diary, Strings Program (classes 3-7), Recorder Music Program (Classes 1 & 3)

The school has a Property Improvement Levy of \$200/student (capped at \$500/family) for capital building development at the school. This includes maintaining existing facilities as well as contributing towards the building of new classrooms, playgrounds and facilities.

Over the past few years, the school has built new classrooms – Banksia Rose and Melaleuca Kindergarten, and the Innovation Resource Centre - and refurbished the Art building and Science Lab. The school needs to ensure that it is in a viable financial situation going forward to continue to grow and offer a Waldorf education for our students.

Families who believe they qualify for State Government School Card must complete the appropriate application form each year as early as possible in the school year.

Application forms are generally available from early January via SA.GOV.AU. Forms are to be submitted as per the instructions on the applicable form.

Tuition fees will be invoiced at the full rate until official notification of eligibility is received by the school, and then the school will apply the School Card Discount.

Bursaries/Fee Remission

Financial assistance is available on a limited basis in the form of a Bursary. A Bursary is a special discount that is based on financial hardship above and beyond that of the School Card Discount for families who find themselves in a situation where they are experiencing financial hardship. Application forms are available from the school and the bursary is given per school year.

Applications for a bursary/fee remission are due by the end of March 2022. If circumstances change throughout the year an application can be submitted and will be assessed.
