Fee Payment Policy

Fees will be levied in advance of the commencement of each new term on the basis of registered attendance. If attendance is to be amended for future terms the Enrolments Registrar must be notified in writing by **week 7 of the term prior**. Failure to do so will mean no amendment can be made. The due dates for the payment of 2015 fees are as follows:

TERM 1: Friday 13 February 2015
TERM 2: Friday 8 May 2015
TERM 3: Friday 31 July 2015
TERM 4: Friday 23 October 2015

The fees are structured on the annual running costs of the school and no refunds or credits are given for ‘short’ weeks due to public holidays, sick days, extended holidays or other ‘pupil free’ days.

Late Fee

Unless there is an agreed alternative payment arrangement in place, an administration fee of $50 will be applied to accounts more than 30 days overdue. This will continue for every 30 day period they remain overdue. If fees remain overdue for more than one school term debt recovery action will commence. If fees remain unpaid for more than two terms enrolment will be cancelled.

The School is entitled to recover any costs and legal fees associated with collecting outstanding amounts.

Rebates

A tuition fee rebate for siblings concurrently attending Mt Barker Waldorf School is granted as follows:

- Second Child: 15%
- Third Child: 40%
- Fourth Child: 60%
- Fifth & subsequent child: 90%
Fees in Advance

A rebate of 7.5% is applied if a full year’s fees are paid on or before 28 February 2014.

A rebate of 5% is applied if a term’s fees are paid prior to the start of the term.

Application & Enrolment

A non-refundable application fee of $60.00 applies per family when an application is made for future admission to kindergarten or the school for all new families.

A non-refundable Enrolment Fee of $300.00 applies on confirmation of enrolment to the kindergarten or school.

Termination of Enrolment

One school term’s notice, in writing, and addressed to the Enrolments Registrar is required for the intended withdrawal of a student from the school. Full fees are payable for the term in which the student has commenced regardless of the notice provided or the days attended. Please note: This means full fees are payable for the whole term even if parents withdraw their child part way through a term.

Methods of Payment

EFTPOS: EFTPOS facilities are available in the Finance Office. Accounts can be paid from cheque, savings or credit card (Mastercard or Visa).

By Post: Accounts can be paid by post by completing the relevant details on the cut off section at the top of the fee invoice.

In Person: The Finance Officer is able to accept cash, cheque or EFTPOS payments on weekdays between 8:30 am and 4:00 pm.

Tax Deductible Voluntary Building Fund

Tax Deductible Building Fund - The School has an approved tax deductible Building Fund from which donations are dedicated to the development of buildings and facilities. This is a voluntary donation and families may donate any amount, as their circumstances allow. A suggested amount would be $400. It is important to note that this money is not used to run the school but set aside for future capital development. A contribution statement will be sent out in July each year for inclusion in your annual tax return.
